Nanaimo newest home to LASIK MD and affordable, world-class laser vision correction

Nanaimo, BC, December 20, 2010 - LASIK MD, Canada's only national provider of laser vision correction, is pleased to announce the opening of its newest clinic in Nanaimo, British Columbia. The clinic opens today as the company's 25th in Canada and second in British Columbia.

"Residents of Nanaimo and the surrounding areas of Vancouver Island no longer have to travel long distances to receive high-quality, affordable laser vision correction," said Dr. Mark Cohen, LASIK MD president and co-founder.

LASIK MD provides free consultations to anyone interested in having laser vision correction. A comprehensive eye examination is conducted using state-of-the-art diagnostic equipment to determine if the patient is a good LASIK candidate. LASIK MD's team of professionals will consult with candidates and recommend treatment options best suited to their needs. LASIK MD prices start at \$490 per eye, with multiple financing options available, and are all backed by the 'LASIK MD Lowest Price Guarantee'.

The Nanaimo clinic is staffed with a team of experienced professionals who specialize in providing eye care. "We are pleased to have well-known, highly experienced surgeons, including Dr. Paul Denton working with us in Nanaimo," said Dr. Avi Wallerstein, LASIK MD co-founder and co-national medical director.

The clinic is located at 6596 Applecross Road, Suite 109.
